Viewing the Matching Source

The matching source can either be viewed from the database or from the internet source. To view the internet source simply click on the link under the percentage of similar material found in the submitted document.

To view the matching material side by side with the submitted document, use either the **Similarity Report** view, the **Content Tracking** view or **Largest Matches** view. To view the matching content in the Matching sources area of the Report, click on the highlighted text within the submitted document. Once clicked the source material will be displayed to the right of the submitted document from the matching database source.

To exit the matched database content, click on the x button to the right of the similarity percentage to return to all the matching sources.

To return to the Folders page from the Report click on the **Return to Folders View** link at the top left of the Report.
